Dear Sirs

**Re: Campaign Against Arms Trade
Licences for the Sale or Transfer of Arms or Military Equipment to the
Kingdom of Saudi Arabia**

We write further to the Order from the Court of Appeal regarding your client's application for permission to appeal and a stay.

Please confirm whether your client intends to apply to the Supreme Court for a stay. Assuming she is not, the Court of Appeal judgment / order requires the Secretary of State to reconsider two decisions: (1) her decision not to suspend extant export licences for the sale or transfer of arms and military equipment to Saudi Arabia for possible use in the conflict in Yemen and (2) her decision to continue to grant further such licences. The Secretary of State has been ordered to reconsider these decisions, in accordance with the Court's judgment, and in light of any new evidence.

Our client is anxious to be kept informed about this reconsideration process and subsequent two decisions reached. CAAT is also anxious to provide the Secretary of State with additional evidence which they consider relevant to her reconsideration.

Please confirm:

1. CAAT intends to provide further evidence relevant to the decisions to be retaken by 30 August. Please confirm that this information will be taken into account.
2. What timeline is the Secretary of State adopting in relation to this reconsideration process? By when can we expect to be notified of her two new decisions?
