Dear Sirs

CAAT v. DIT

We write further to our letter dated 1 August 2019 regarding the Secretary of State's reconsideration process and the new policies/ publications drafted or being implemented in order for her to comply with the judgment handed down by the Court of Appeal judgment in our client's case.

We have yet to receive a substantive response to some of the questions posed in that letter and write again now to ask again:

1. What time line the Secretary of State is adopting in relation to her reconsideration process? By when can we expect to be notified of her two new decisions?
2. To request a copy of any new policies/ publications which seek to implement the judgment and/or confirm the new procedure the Secretary of State intends to implement in relation to export licences.

We look forward to hearing from you as a matter of priority.

Yours faithfully

Leigh Day
