

IHL Gist Table 2

The following gists are provided following the CLOSED disclosure process and pursuant to paragraph 3 of the order of Mitting J.

The first four gists relate to information contained in the IHL Updates that are referred to in the second witness statement of Mr Crompton in section VII. The fourth gist is from a Ministerial Submission of October 2016. The final gist is to be added to paragraph 7 of Mr Crompton's second witness statement.

Date	Page, Paragraph & Heading	Document Title	Gist
13/12/2016	Page 2, Military paragraph	Yemen update – 13 December 2016	Airstrikes had increased slightly around the second week of December 2016 when compared to the first week of December 2016.
18/10/2016	Page 4, paragraph 7 – Summary of incidents	18 th October 2016: YEMEN – Saudi led Coalition compliance with IHL	As of 23 September, MOD is tracking 236 incidents of concern, of which in the region of half are assessed as “Likely Coalition”. MOD has been unable to identify a military target for around two thirds of the Likely Coalition strikes. There has been around a one fifth increase in number of incidents since July.
18/10/2016	Page 5 , paragraph 11 – Saudi targeting process	18 th October 2016: YEMEN – Saudi led Coalition compliance with IHL	It is understood that the principles of IHL are applied in the decision making and concerns regarding access to the No Strikes List (NSL) are in part mitigated by the decision making occurring. Insight, although improved, remains relatively limited.
13/12/2016	Page 41, paragraph 4 – Summary of incidents	13 th December 2016: YEMEN – Saudi led Coalition compliance with International Humanitarian Law (IHL)	As at 5 December, MOD is tracking 244 incidents of potential concern of which around half are assessed as “Likely Coalition” strikes. MOD has been unable to identify a military target for around three quarters of these “Likely Coalition” strikes.

18/10/2016	Page 3, paragraph 8 – Judicial Review Page 7, paragraph 18 – Judicial Review	SUBJECT: SAUDI ARABIA: INTERNATIONAL HUMANITARIAN LAW (IHL) AND EXPORT LICENSING POLICY	<i>In this 7-page Ministerial Submission document, the following comments were made:</i> As of 23 September, MOD was tracking 236 incidents of potential concern, of which around half are assessed as “Likely Coalition” strikes. A very significant proportion of the value of the UK defence exports to KSA are currently in the air sector including weapons.
